

How to Download Free Library eBooks onto a Kindle device or Kindle app

Check Out an eBook:

Go to eLibraryNJ.com

Click “Sign in” at the top of the page. Select “Berkeley Heights Public Library” from the menu and type in your library card barcode. (Signing in will allow you to find extra books available only to Berkeley Heights cardholders in following steps.)

Click on “All eBooks” in the eBook box on the right side of the page. To only browse books that are currently available: Check the box next to “Only show titles with copies available” at the top of the page. Leave the search box blank and click Submit.

When you are looking at what’s available, keep in mind that you need a title that has “Kindle book” listed as its format.

Alternatively, you can search for an eBook that you want using the “Quick Search” box at top right. If eLibraryNJ owns it in Kindle format, but the book is currently checked out, click “Place a Hold”. You will be asked to type in your email address. When it is your turn, you will receive an email. Then go to eLibraryNJ.com, click My Account, sign in, go to My Holds, and continue with the instructions below. You can have up to 5 holds at a time.

To the right of “Kindle Book”, click “Add to cart”, then “Proceed to Checkout”.

Select your lending period (7, 10 or 14 days) and click Proceed to Checkout.
